It was decided that Donn and Jan would be paid \$ 7.50 an hour for making signs and that taxes would be taken out. Also they are to stop by the meeting in April to demonstrate how the signs are made.

I am to call Steve Mutchler and find out what is approved for the sign post and break away post. I also need to find out the correct placement of the TR #'s on the sign and if the N, S, E, W at the front of the sign should it go to the top bottom or middle and also if a township needs their name on it then how big should the sign be.
