Rick Biery spoke about a bridge inventory Eric Webber and Berry Garverick one of these will be contacting someone from each municipality about getting together to do a survey of the bridges in the county that are 8feet to 20 feet. They will be mapping them so they know where they are located and decided what kind of shape they are in. This is a project through the central office in Harrisburg and our local offices, they will be rating the bridges on scale of good, poor, very poor bases. They don't have any federal funds to help repair the bridges but there are some state funds that will be available to help in repairing some bridges that will need repairs. The state is looking for preventative maintenance Northern tier looking at rehabbing the bridges. Barry has already been out to see Shrewsbury Township and Davidson Township. They will present the survey to us when they are finished.

Gene Holley came and spoke to us about the 2010 Census he stated that money is generated by a correct census when you have people go out and do this count we get credit for how many people we have in our county. He wanted to know if we new anyone looking for a job and asked us to pass out his cards to people who might want to work at a Census job, he stated that test are given a couple times a week.

A motion was made by Carl Rine JR and seconded by Bill Stasiak to approve the minutes from our December 15<sup>th</sup> meeting. It was put to a vote and all were in favor of approving the minutes so the motion passed.

A motion was made by Walter Botsford and seconded by Linwood Myers to approve the Treasurers report, this was put to a vote and all were in favor so the motion was passed.

WE asked in anyone needed to order any sign blank for posting and bonding Carl needs several signs and we wanted to order bulk to get a better price. Scot Sample said to wait on ordering the signs so that people have time to think about it for a while.
